

CHEM CLEAN GREEN

BIODEGRADABLE CLEANER & DEGREASER

Preferred cleaner for grease and grime! This concentrated, hard-working degreaser goes to work right away, emulsifying and deodorizing. Its grease-fighting solvents and emulsifiers work great on heavy-duty cleaning tasks. It can also be diluted for light-duty cleaning tasks.

FEATURES & BENEFITS

- Organic solvent-based degreaser, emulsifier and deodorizer
- Removes oil and grease in many cleaning applications
- Particularly useful for hydrocarbon residue removal
- Biodegradeable
- Contains no petroleum distillates
- Cost-effective

PHYSICAL PROPERTIES:

Appearance: Clear to yellow liquid
Specific Gravity: 1.05
Flash Point: ↑93°C

CHEMICAL PROPERTIES:

Type: Detergent, Degreaser
Solubility: Soluble in water
pH: 11
Packaging: 20L pail

MIXING & HANDLING

Chem Clean Green can be applied neat or diluted with water depending on the difficulty of a particular cleanup.

For extra heavy duty degreasing, Chem Clean Green can be used full strength. For routine cleaning, use Earth Pro Chem Clean Green diluted at 1:5 water.

Skin and eye protection should be observed (see SDS). Do not use Chem Clean Green on hot surfaces and hot or running motors.

WHMIS: Controlled (see SDS)

TDG: Not regulated

Packaging: 20L pail
